**Subject:** DaneCom Outreach Update 5/5/2016  
**Attachments:** GenComm\_Flyer\_GenTechExpo2016.pdf

Hello All!

Attached is a flyer / invitation to stop by the GenTech Expo, located at the General Communications Madison office on May 25<sup>th</sup>, from 9am – 4pm.

This event will have a DaneCom-related component where you can see an actual DaneCom equipment shelter, a Harris Symphony radio dispatch console, and more! There will also be a technician on site from General Communications who can assist radio programmers in answering questions they may have with some DaneCom radio programming. Please check out the flyer for more details.

Some of the personnel that have worked – and are working on bringing DaneCom to life will be there to assist in answering any questions.

If you have the chance, please stop by. This is a great opportunity to see some of the elements of DaneCom that you normally wouldn't see – all in one place! Feel free to register for the event at: <http://www.gencomm.com>

If you have any questions about the GenTech Expo, please contact General Communications at 608-271-4848.
